

Kar**mbhoomi**

Kar**mbhoomi** is a systematic & holistic, country wide youth movement to create World class young leaders in all fields by the year 2020.

A movement working simultaneously on three dimensions-

- A TV series based on the philosophy of Bhagwat Geeta and Swami Vivekananda's inspirational vision for youth being telecast on Bindass channel at 10.30pm every Sunday.
- On the ground events with an interactive high energy inspirational session with students in schools, colleges and Institutes with the team of Kar**mbhoomi** leaders across the country.
- An interactive web portal with Indian context for the youth having the provision of live peer to peer counselling on the issues being faced by today's youth.
