UNIVERSITY
Beyond Boundaries

**SHARDA SCHOOL OF
ENGINEERING & SCIENCE**

CHEMISTRY CLUB

**Department of Chemistry & Biochemistry
(through Chemistry Club)**

is organising an

ONLINE QUIZ ON CHEMISTRY FOR ENVIRONMENT

DATE
12 JUNE 2026
(FRIDAY)

MODE
ONLINE

<https://meet.google.com/hgr-xepr-nbw>

OBJECTIVES OF THE EVENT

1

PROMOTE ENVIRONMENTAL CHEMISTRY

Educate students on how chemicals interact within air, soil, and water systems.

2

RAISE POLLUTION AWARENESS

Explain the chemical impact of industrial waste, plastics, and greenhouse gases on ecosystems.

3

INSPIRE SUSTAINABLE SOLUTIONS

To show how chemical innovations can clean up pollution and create renewable energy.

TEST YOUR KNOWLEDGE ON

- ✓ Environmental Chemistry
- ✓ Pollution & Waste Management
- ✓ Climate Change
- ✓ Green Chemistry
- ✓ Renewable Energy

WHO CAN PARTICIPATE?

All students interested in Chemistry, Environment, and Sustainability.

QUIZ COORDINATORS

Dr. Sayanti Mandal

Dr. Gaurav Bhakri

Think *Green*
Learn *Chemistry*
Protect the *Environment!*

Join us to test your knowledge and explore the fascinating connection between Chemistry and Environmental Sustainability!
